

ALPIN CARD

ALPIN CARD – for mountain summers with an upgrade

Vast expanses, tranquility, vivid experiences, sport: Saalbach Hinterglemm Leogang Fieberbrunn, the Schmittenhöhe in Zell am See and Kitzsteinhorn Kaprun offer glorious escapes and gateways into nature, summer and winter, courtesy of the ALPIN CARD. As of May 2022, three premium regions launch summer season in the Alps.

The ALPIN CARD functions like an upgrade: for a summer that, by its very nature, offers everything a holidaymaker could wish for. Welcome to summer in the three premium regions of **Saalbach Hinterglemm Leogang Fieberbrunn**, **Schmittenhöhe** in Zell am See and **Kitzsteinhorn** Kaprun. A single ticket that opens the door to fantastic scenery, Austria's biggest biking region and custom-tailored adventures. The ALPIN CARD further expands your almost limitless opportunities for action and relaxation, in a land shaped by an impressive glacier, gentle mountainsides made for hiking, deep-blue lakes surrounded by jaw-dropping panoramas, and a world-famous sporting region whose fascination you sense with every breath you take. As for the time factor: In these parts, it also seems to tick to its own beat. After all, the ALPIN CARD is valid all year long, including an early start to winter season thanks to the glacier. All of these ingredients promise one extraordinary experience after another, an array of memorable personal moments, and benefits for body, mind and soul. Revel in the mere thought of it, then experience it first-hand with the ALPIN CARD, your premium summer upgrade.

1 TICKET, 3 REGIONS, endless YEAR-ROUND MOUNTAIN HAPPINESS

What begins in summer, carries on into winter. With the ALPIN CARD, your mountain experiences never end, lasting all year long. Two ticket versions, the "365 Classic ALPIN CARD" and "365 Action ALPIN CARD", offer guests of the 3 premium regions variety-filled Alpine enjoyment in summer as well as winter. Meanwhile, the "Hike ALPIN CARD" is valid in summer and the "Ski ALPIN CARD" (winter season pass, single- and multi-day tickets) includes 408 kilometers of pistes, 121 state-of-the-art lifts and one of the most beautiful glaciers in Austria. In short: You can count on the ALPIN CARD for a wealth of experiences you won't discover anywhere else.

- **365 Action ALPIN CARD** Annual pass for classic mountain activities skiing and hiking, plus glacier skiing, bike and paraglider transport (no paragliding on the Kitzsteinhorn)
- **365 Classic ALPIN CARD** Annual pass for classic mountain activities skiing and hiking
- **Hike ALPIN CARD** Summer season pass to get the most out of Alpine Summer in 3 regions
- **Ski ALPIN CARD** Winter season pass with up to 408 kilometers of pistes and 121 lifts

Home of Laid-Back: Saalbach Hinterglemm Leogang Fieberbrunn

If you want to paint yourself a clear picture of what this region has in store for you, we suggest picking up a map of this region which is so appropriately nicknamed the "Home of Laid-Back". A region that promises everything holidaymakers need to give their lives a welcome energy boost. With over 550 kilometers of hiking paths and a selection of beautifully maintained via ferratas from easy to challenging, Saalbach Hinterglemm Leogang Fieberbrunn is a huge hit with hikers and ambitious mountaineers. Bike fans can show off their "stuff" in every way imaginable, thanks to Austria's **biggest bike region** with over 80 km of lines & trails and 9 lifts on 7 mountains. Families can look forward to numerous adventure trails and interactive paths, playgrounds on the mountain and by the water, herb walks, wildlife feedings, Europe's first digital Alpine hiking path, the Alpine Coaster, the Riders Playground – a 10,000 m² park for rookie mountain bikers, Silent Waters, the Nature Cinema, the TONspur musical islands and much more. In winter, Skicircus Saalbach Hinterglemm Leogang Fieberbrunn, one of the biggest and most diverse ski areas in Austria, is guaranteed not to leave anybody "cold". With 270 kilometers of pistes, 70 gondolas and ski lifts, and over 60 huts, the Home of Laid-Back has so much to offer. More at www.saalbach.com

Highlight in Summer 2022:

- "THE CHALLENGE - Bike your limit" is the name of the new challenge in Austria's biggest biking region, a challenge that only the best are up to. Who is capable of biking the entire area of Saalbach Hinterglemm Leogang Fieberbrunn on a single day? As part of THE CHALLENGE, you will have to conquer seven mountains with the help of seven lifts. Get ready for pure trail-biking enjoyment in

Ticketverbund Skicircus Saalbach Hinterglemm Leogang Fieberbrunn,
Schmittenhöhe in Zell am See und Kitzsteinhorn Kaprun

ALPIN CARD

Saalbach Hinterglemm and Bikepark lines in Leogang that will put your skills to the test. Better known for its more leisurely biking experiences, on this particular tour Fieberbrunn also ensures that your leg muscles will definitely “feel the burn”.

Unsurpassed Panoramas: Schmittenhöhe in Zell am See

The Schmittenhöhe promises enjoyable hiking experiences with magical 360° panoramas and biking enjoyment on routes designed to perfection. With themed hiking paths including “Schmidolin’s Baptism of Fire” and the “Mystical Forest”, as well as the E-Motocross Park and the Offroad Park, the Schmitten is a family paradise in the heart of the Alps. Meanwhile, culinary highlights await you in the form of mountain huts serving refreshments in an atmospheric setting unlike any other. The weekly activity program offers a wide range of opportunities in the mountains. Foodies find it impossible to resist the Organic Rose Breakfast aboard ship or the Sunrise Hike followed by breakfast in the mountains. In winter, the scenic family ski area is a big hit with highlights such as the Kids Slope, the XXL Funslope and the Trass run, plus 5 ultralong valley pistes – guaranteeing pure enjoyment for sporty skiers as well as adrenaline junkies. All 4 valley stations also offer perfect ski-in-ski-out opportunities. More at www.schmitten.at

Highlights in Summer 2022:

- E-Motorcross and Offroad Park
- weekly program of alternative activities
- unforgettable moments such as an Organic Rose Breakfast aboard ship and the Sunrise Hike followed by a Mountain Breakfast

Kitzsteinhorn Kaprun – THE glacier

On the Kitzsteinhorn and on Maiskogel Family Mountain in Kaprun, excursioners and active sports fans can look forward to an extraordinary nature & sporting experience. Surrounded by the highest mountains in Austria and **right on the doorstep of Hohe Tauern National Park**, the high-alpine excursion destination **TOP OF SALZBURG** (elev. 3029 m) promises an experience for all the senses. The **K-ONNECTION** – with its centerpiece the **3K K-connection** – provides a direct link between the town center of Kaprun and the Kitzsteinhorn. As if floating on air, lovers of nature and the mountains glide through four vegetation zones on their way up to the TOP OF SALZBURG panoramic platform at 3029 m above sea level. In summer, the Kitzsteinhorn and Maiskogel are popular starting points for hiking and mountain-biking tours. Numerous biking and hiking routes combine perfectly with a ride on the lifts. From autumn until early summer, snowy glacial slopes, freeride routes close to the lifts, snowparks and ski-touring routes await winter sportsmen and -women. Further details: www.kitzsteinhorn.at

Highlights in Summer 2022:

- 3 mountain-bike trails on the Kitzsteinhorn & the Maiskogel Trail
- Maiskogel Hut Tour: easy hiking tour especially for families
- Explorer Tour: daily guided tour with a National Park Ranger
